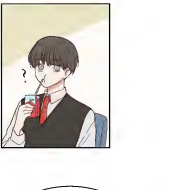
It...was a nightmare...
I thought it would be fine.

Hey.

Since when were you a part of the Gardening Club?
Why are you talking about that in this kind of situation?

No, it's just that if you come to the clubroom all the time, it is like you're in the club...
I didn't even know about this club until last week though? You never told me.
You never asked.

Ah~~ fine, fine.
But I'm worried about Lee Su.



TN: Hyun Woo mispronounces the word for 'dating' a few times with similar sounding words. I'm not sure if it's meant to be funny or if Hyun Woo or she is having trouble saying it out loud.

Come to think of it.
How did they meet... 3 years ago...

Thank you~

Aren't you going to leave?
Didn't you meet Sae Joon? In the afternoon, he s in the cafe so I can rest~

Why, am I a bother?
Yes.
No...

Huk, I mean... no.
.....
Change my words

...Maybe it sounded like I'm the only one who takes a break?
Han rests in the morning. Even if I'm the boss, I work as much as Han...

Why. What. What is it? Why???
STARTLED

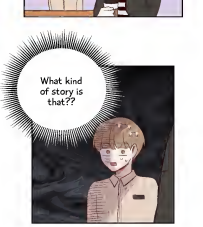
That...you two...how did you meet?

.....

You don't want to ask Han that?
?
I'm just wondering. How you two...
started dating.

Us? Um...
It was very brutal.

I thought he was a stalker at first.
REALLY???



What kind of story is that??

The first time we met...

Is the manager here?
They're not here in the evenings.

Ah, hello!

Eh, I'm very persistent
Ah~ yes, yes. Then I'll get that tomorrow!

Ah, of course~
